Availability Date:	<b>Ex Stock</b>

A compact cordless unit ideal for on-the-job requirements and small enough for tool box storage. The rechargeable NiMH battery delivers 4 hours of continuous operation from 15 high intensity L.E.D's. The durable weatherproof body with rubber seal features a convenient integral belt clip and off/on switch with weatherproof rubber boot. Included is a 240V AC charger and a 12V DC charger

- 4 Hours of use at 450 lumens peak output
- NiMH battery with no memory effect
- 240V AC and 12V DC chargers supplied
- Weatherproof body and switch
- Constructed with a virtually unbreakable polycarbonate lens

Winner of AAAA's Best New Servicing Product – Tools and Equipment
